

Thank you for your interest in working at Athens Movie Palace. As a family owned business, we are looking for employees with a strong desire to help the business thrive. We need motivated, loyal, and dependable people to carry out the day to day activities of the theater.

Your job responsibilities at the theater will vary from day to day, but all members will be familiar with everything. On any given day, team members will be selling tickets and concessions, cleaning auditoriums between shows, keeping the lobby clean, greeting guests, taking tickets, keeping concessions stocked, and checking bathrooms. Initial all pages of this application in the top right-hand corner. Team members will also be monitoring auditoriums during shows to make sure our policies are enforced, and guests are happy.

The nature of the movie business is that some of the most important times are nights, weekends, and holidays. You **must** be willing to work these times. The movie business is active **365 days** a year. Daily times will vary. During the summer and weekends, we will have earlier show times, but during the rest of the year, we will likely only have a couple of early matinees. It is important that you be flexible and willing to work at different times.

Other key qualifications of a successful team member include good communication skills, ability to problem solve under pressure, willingness to provide courteous customer service, good judgment, team player mentality, and computer literacy.

You will be trained on our Point of Sale (POS) software. Both tickets and concessions will be sold from the same computer system. Please number the application pages at the bottom of each page. Basic janitorial tasks will be expected of all employees. This includes maintaining the bathrooms during business hours, cleaning the auditoriums between shows and more thorough cleanings each day, cleaning up spills immediately, and keeping the concession area clean.

You will be required to interact directly with customers, and you must represent Athens Movie Palace in a positive light. This includes keeping up a professional appearance that complies with the theater's dress code and treating customers with respect. You must also be able to solve customer service issues in a quick and efficient manner. You must be willing to enforce the theater policies.

We will have an employee reward system so you can earn free tickets and other items.

The hiring process will be designed to get a feel for how you contribute as individuals as well as in a group setting. We will first evaluate your application. Next, we will invite a group to the theater for a hiring session where we will go over our company policies and job responsibilities. We will interview and hire as needed. If you are not selected for the interview process, we will keep your application on file for future hiring needs.
